Together Everyone Achieves More
Our value for this half term is CARE

WELCOME BACK

It's been a great start to the second half of the Autumn term, with a successful Science Curriculum Peer Review, Antbullying Week and Children in Need initiative. We have lots more exciting learning experiences and activities over the coming weeks, so children need to be in school every day, so that they don't miss anything. Mrs Page

Safeguarding

Safeguarding Children is: Everyone's business; Everyone's Concern; Everyone's responsibility

What is Early Help?

Early Help means taking action to support a child, young person or their family early in the life of a problem, as soon as it emerges. It can be required at any stage in a child's life from pre-birth to adulthood and applies to any problem or need that a family cannot deal with or meet on their own. It also applies to all children and young people, with any form of need. School can help with all sorts of things. Please come in and talk to us.
