**Working Together to Improve Attendance**

New guidance from the Department for Education (DfE) states that: 'Improving attendance is everyone's business'. The law entitles every child of compulsory school age to an efficient, full-time education suitable to their age, aptitude and any special educational need they may have. It is the legal responsibility of every parent to make sure their child receives that education, by attendance at a school. We will always work closely with our families to achieve this. Our Attendance Lead is Mrs S Worthington. Please come in and speak to us if you have any concerns or issues around attendance.
