

## PARENT GUIDE FOR ACTIVE LEARN - BUG CLUB

Bug club works best on Google Chrome on a PC, laptop or Mac. You can also access Bug Club using safari on an iPad or Google Chrome on an Android tablet device.

### Step 1 - How to Log in?

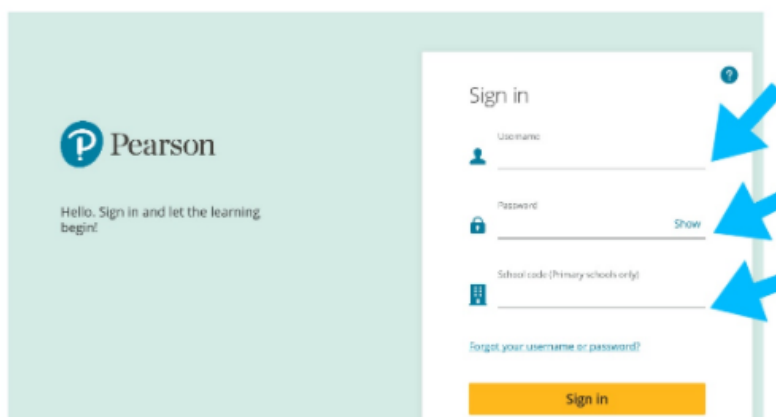

The website for Bug Club is:

[www.activelearnprimary.co.uk](http://www.activelearnprimary.co.uk)

Once you go to the website, you will see the screen below.  
Click on 'log in'

You will then see this screen below

Log in by entering your username, password and school code, which was provided to you by the school.

## Step 2: This is the Pupil Homepage

Once you have logged in, you will see the screen below. This is your personal homepage

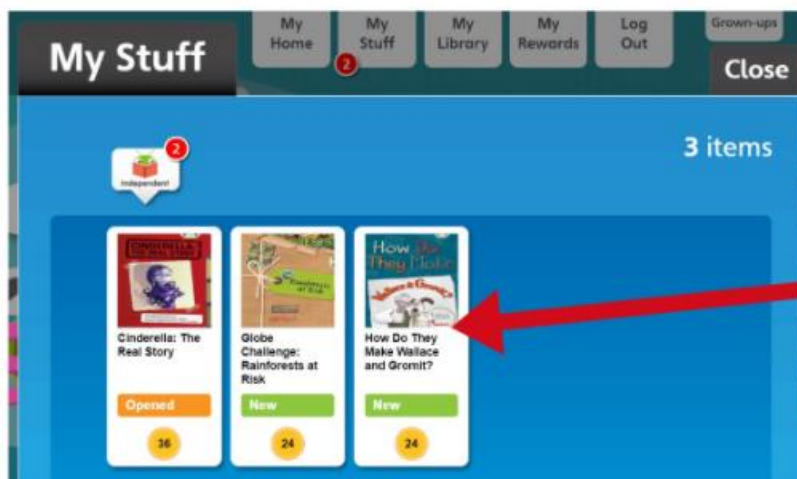

'My Stuff' is where you can find any eBooks you have been allocated to read, complete quizzes.

## Step 3: Your teacher will allocate you books

Click on 'My Stuff' tab to access books.

## Step 4: The list of books assigned to you will come up.

When you click on 'My Stuff' you will see the books your teacher wants you to read. Click on the book to read it.

**Step 5: Read the book and look out for the 'Yellow Bug' icon.**

When you are reading, look out for the 'yellow bug' that may appear on a page. This is important because it means there is a question for you to answer. So make sure you click it and answer the question.

Your teacher will keep track of what you read and how many questions you answer.

**Step 6: Students will complete the reading and earn coins that they can spend within the platform**

**HAPPY READING EVERYONE!!**
