FUN WITH ORACY: PICTURE THIS!

Enjoy a fun speaking and listening activity with our child!

What you need:

- Paper and pencil
- A selection of pictures

How to play:

1. Sit back-to-back with your child
2. Decide who will be Speaker A and who will be Illustrator B
3. Speaker A: Choose a picture from the selection and describe it clearly to your partner– without showing it!
4. Illustrator B: Listen carefully and draw the picture exactly as it is described
5. Once finished, share your drawing. How closely does the illustration match the original picture?

This activity helps children practice listening, speaking and descriptive skills– all while having fun together at home!
